Customer Feedback

Customers, Agents and the Media are giving Blue Lagoon Cruises & West Side Watersports new “Cruise-Dive” product high praise for providing the complete Fijian experience with sensational diving to match;

“Fabulous & awesome, true and total relaxation on cruise/dive product. UNIQUE!!!! An experience of all worlds cruise, islands, & the underworld – totally different from liveaboard dive vessels” – Passenger, Sept 2002

“I couldn't have imagined a better way to experience Fiji - the diving, the islands, the cuisine & most importantly the people. Cruise in luxury dive in paradise is an outstanding way to experience everything Fiji has to offer. This product is unique - it is a more holistic experience of a destination which in my opinion will thrill divers & non divers alike, overall a wonderful trip & outstanding product.”- Sport Diver Magazine

“A four star cruise experience with plenty of high quality diving among some of the most pristine dive sites in the Yasawa's” - US Dive Specialist

“The combination of great diving and cruising, plus tons of activities for non-divers is a brilliant idea. The experience was far beyond our expectations.” - US Dive Retailer

Package Pricing

We are pleased to announce for the coming year we have HELD our previous years rates with packages beginning at US\$1,499 + VAT for the diver and a flat US\$999 + VAT for the non-diver.
