

Malolo Island Resort *Update*

Edition 2 – May 2003

Look at us NOW!!

For everyone who received our 1st Edition of the Malolo Resort Update in February you may remember that we had quite a lot of news and projects happening around our beautiful Resort. Well this is the edition you have been waiting for..... We have all been working extremely hard and now want to let you know what we have achieved in the past few months and make it now even easier to recommend Malolo!

Bula from all our Staff @ Malolo Island Resort!

We hope everyone had a wonderful Easter and are now back in the office madly booking Fiji for the winter!

Did you Know?

Malolo is traditionally known as the "Sunset Island". Malolo was aptly named by the Fijians as when they are watching the sun set from the main island of Viti Levu it sets behind Malolo. Therefore they say that Malolo Island is where the sun goes to rest.....

Other Projects completed

- Decking around the top & bottom pools (looks fantastic)
- Installation of gas flares around the Beach Bar & Grill and other areas of the Resort – Great Ambience!
- General room maintenance including re-painting and grouting in bathrooms - 24 Bures already complete!

Treetops Restaurant

We have just extended and re-designed our main kitchen and have also updated sections of our Treetops Restaurant. We are also in the process of having some furniture designed for the lounge and bar area. Treetops offers an intimate, fine dining experience and is open each evening (except theme nights) by reservation only. Stay tuned for pictures in our next edition.

New Beach Bar & Grill

Well we have been enthusiastically telling lots of people in previous months about our plans for the new Beach Bar & Grill and it is now officially open. The Beach Bar & Grill becomes our third (3rd) dining outlet making us the only Resort in the Mamanuca's boasting three restaurants (not bad for only 49 bures!).

The Beach Bar & Grill offers casual beachside dining for lunch and dinner daily. Just imagine sipping on cool cocktails or an icy cold beer whilst experiencing a heavenly Malolo Sunset and then easing into a light dinner whilst listening to the Malolo Serenaders.....

GUESS WHAT! *For those of you who expressed such interest in Steve & Danielle's marital status it must have paid off! Even amongst all of the action and projects here at Malolo, Steve found the time and courage to propose.....did Danielle accept?? Of course she did!!*
